FLAMBEAU

Move beyond traditional gas logs. Move beyond glass fires. Firegear introduces a true statement of style for your hearth. Flambeau serves our need for beauty and as a gathering point for your home.

DESIGNER HEARTH SYSTEM

PRONUNCIATION: flam-bō

ETYMOLOGY: French, from middle French, from flambe flame: A flaming torch

A decorative alternative to gas logs designed for use in a vented woodburning fireplace.

Flambeau brings together beautiful dancing flames on our bed of Liquid Glass, a firegear exclusive. Liquid Glass appears to be melting before your very eyes. The finish on the pedestal is a perfect compliment to the dancing flames.

Flambeau is designed for use in single and multi-sided vented fireplace applications.

Multiple units can be staged side by side for larger/custom applications.
